Bulletin 052310

2010 Marching Band Percussion Section

Congratulations to everybody who auditioned for the percussion section. The new students that auditioned are very talented and we are very excited to have them and the returning members as a part of this year's percussion section. You will be contacted soon about summer sectional rehearsals. We request that if you are in town that you attend these sectionals in order to maximize our preparation going into this exciting marching season. Please remember that drum camp, pre camp, and band camp are mandatory attendance, so please plan vacations, Dr. visits etc. accordingly. This is our roster as it stands and can be subject to changing instruments if the directors and staff feel necessary.
