Bulletin 052410

### **Surplus Equipment For Sale**

We have five (5) contractor quality wheelbarrows for sale. They have been used only a few times to haul bass Drummers around on the floor. They are equipped with “no flat” tires so you never have to worry about having a flat tire. We will sell them to the first five people who request them for \$75.00 each. They cost \$100.00 each new. You may send me an e-mail at [vicepresident@fatherryband.org](mailto:vicepresident@fatherryband.org) if you are interested.

Dan McCulley
