## **Schedule Update - Week of August 8**

### **Percussion:**

Even though Monday is a half day, Monday's rehearsal for percussion is staying at the same time - 3 PM - 6 PM. They have staff that cannot come earlier.

### **Wind and Guard:**

In an effort to correspond with the half day schedule for school, practice for the wind and guard on Tuesday, August 9, will be from 1 PM - 4 PM.

Students are responsible for bringing lunch or making appropriate plans for lunch. If the students would like Mr. Frey would be happy look into ordering pizzas. They would need \$1.50 for each slice and would need to bring money for their drinks in the vending machine.
