ALL HANDS ON DECK!

**Band Parent Workday
Saturday September 10th
10am till???**

There will be a band workday this Saturday, the 10th, to prepare for the October Competitions. We have much to do and hope you can help out! We are planning to start at 10 am and work till it's done. (Feel free to drop in later if you can't be there at 10am)

We will be making helmets, and pinning fabric strips onto the bibs. If you have some tin snips or scissors please bring them, as we'll be cutting plastic. We plan to have all the other related supplies so bring your talented enthusiasm.

Thanks,

Patty Lane & Karyn Labadie
