ANNOUNCEMENT FROM THE UNIFORM COMMITTEE:

The uniform crew recommends that the students wear something similar to UnderArmor or a silky t-shirt instead of the black t shirt under the uniform for performances- these should be solid black. The show tops are close fitting and a regular t-shirt beneath will make it more difficult to put the show top on, particularly if they are sweaty which they likely will be if temps are warm. We apologize for this change but it will make it easier for the kids to dress-inexpensive shirts of this type can be found at target or Academy Sports. Be advised they should not plan to wear the Networks t-shirt Friday night unless you plan to launder it so it will be clean for TRI!
